## Issue :

Vehicle DVR : How to view? Download?

Hard Disk : How to view? Download?

Disk Manager solve this problem for you

# FUNCTION

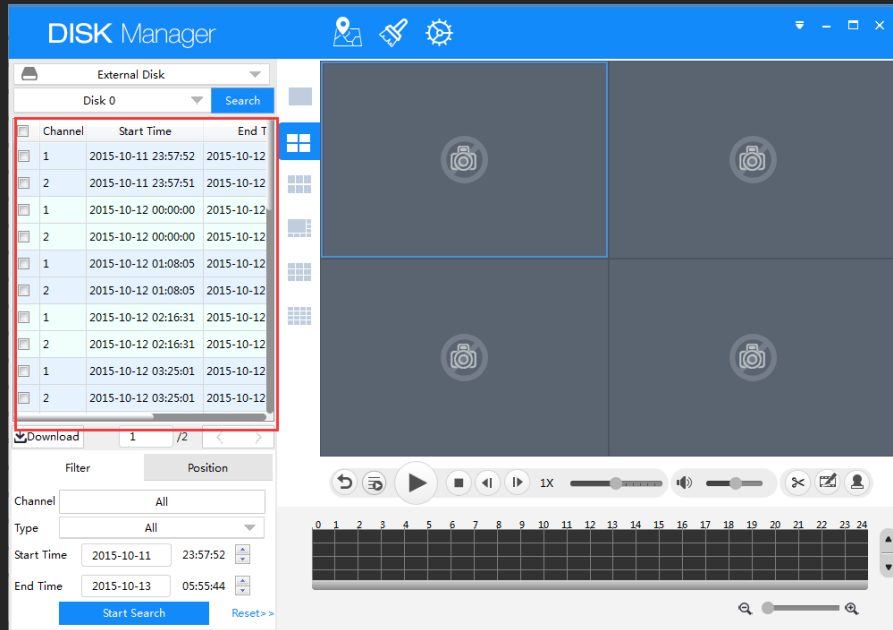

- 01 Read hard disk file
- 02 Search and download files
- 03 Play
- 04 Other feature

## Function 1

Read hard disk file

---

# Read hard disk

Choose external disk and click search, you can search the video file in the hard disk

## Function 2

search and download files

---

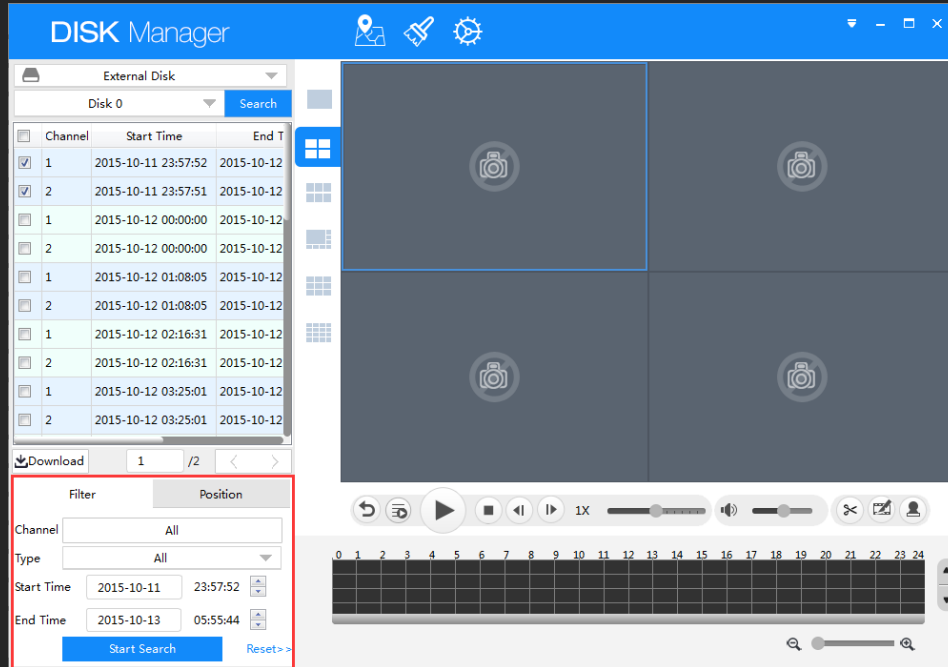

Download the video

The screenshot displays the DISK Manager application window. The title bar reads "DISK Manager" and includes standard window controls. The main interface is divided into a left sidebar and a central video player area. The sidebar contains a search bar, a table of video channels, and a "Download" button. The table has columns for "Channel", "Start Time", and "End T". Two rows are selected, with their checkboxes highlighted by a red box. Below the table are filter options for "Channel", "Type", "Start Time", and "End Time", along with a "Start Search" button. The central area shows a video player with a camera icon and a timeline at the bottom.

Channel	Start Time	End T
<input checked="" type="checkbox"/> 1	2015-10-11 23:57:52	2015-10-12
<input checked="" type="checkbox"/> 2	2015-10-11 23:57:51	2015-10-12
<input type="checkbox"/> 1	2015-10-12 00:00:00	2015-10-12
<input type="checkbox"/> 2	2015-10-12 00:00:00	2015-10-12
<input type="checkbox"/> 1	2015-10-12 01:08:05	2015-10-12
<input type="checkbox"/> 2	2015-10-12 01:08:05	2015-10-12
<input type="checkbox"/> 1	2015-10-12 02:16:31	2015-10-12
<input type="checkbox"/> 2	2015-10-12 02:16:31	2015-10-12
<input type="checkbox"/> 1	2015-10-12 03:25:01	2015-10-12
<input type="checkbox"/> 2	2015-10-12 03:25:01	2015-10-12

Check the video you need, and click download button.

# Search the video

Filter:

Through channel, type and time period search the video you need.

Position:

Through point of time search the video you need.

Function 3

Play

---

# Multi-channel preview

The screenshot displays the DISK Manager software interface. On the left, there is a search table with columns for Channel, Start Time, and End Time. Below the table are filter options for Channel, Type, Start Time, and End Time, along with a 'Start Search' button. The main area features a 4x4 grid of 16 video preview windows showing various interior scenes. A playback control bar is located below the grid, including buttons for play, stop, and volume, along with a progress slider and a timeline from 0 to 24. A search icon is visible at the bottom right of the interface.

Channel	Start Time	End Time
1	2015-10-11 23:57:52	2015-10-12 00:00:00
2	2015-10-11 23:57:51	2015-10-12 00:00:00
1	2015-10-12 00:00:00	2015-10-12 01:00:00
2	2015-10-12 00:00:00	2015-10-12 01:00:00
1	2015-10-12 01:08:05	2015-10-12 02:16:31
2	2015-10-12 01:08:05	2015-10-12 02:16:31
1	2015-10-12 02:16:31	2015-10-12 03:25:01
2	2015-10-12 02:16:31	2015-10-12 03:25:01
1	2015-10-12 03:25:01	2015-10-12 04:33:01
2	2015-10-12 03:25:01	2015-10-12 04:33:01

## Features

Multi-channel preview and playback,  
max 16 window simultaneous view.

Vehicle video

You can view your line through GPS and map.

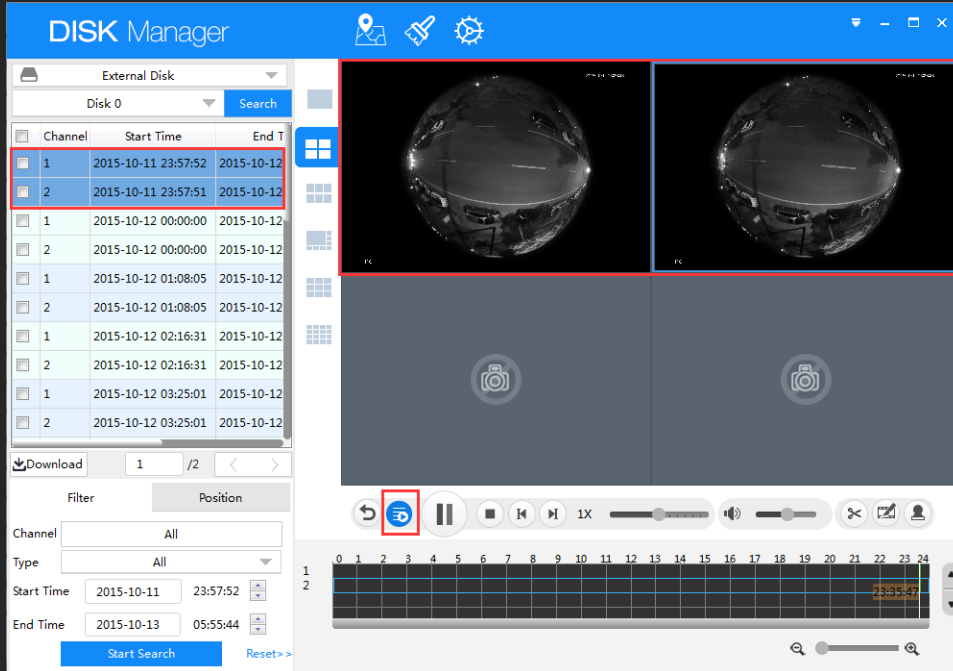

reverse play

quick play and slow play

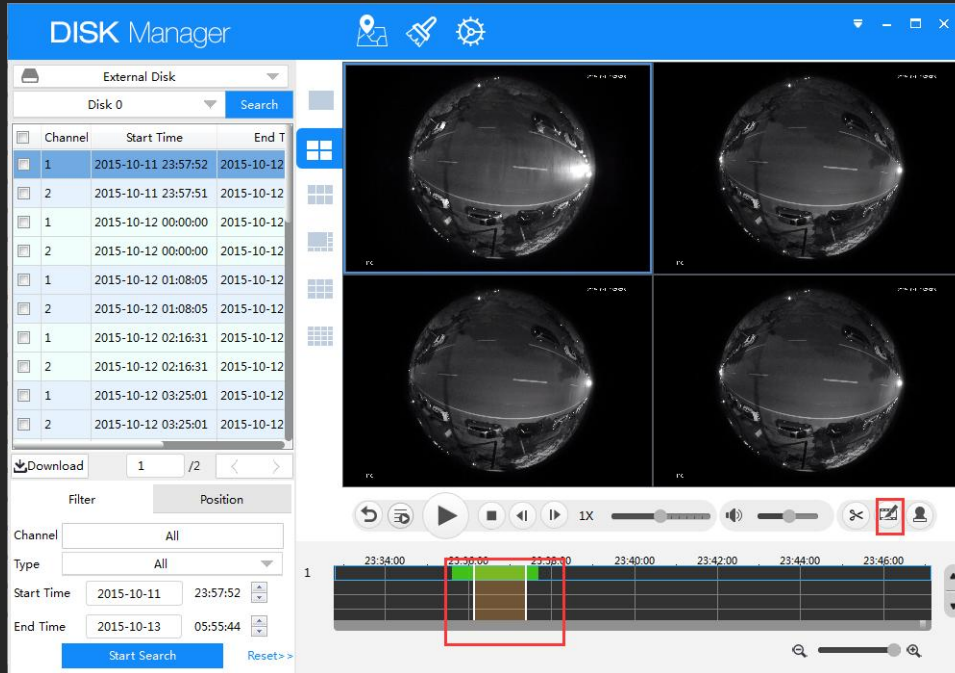

Max : 64x

Min : 1/64x

## Features

Sync play of videos in the same group

## Features

For long time record, you can view record in different periods, which largely shorten playback speed, and can faster position point of time

Function 4

Other feature

---

# snapshot and video cut

may immediately save valid record information.

snapshot

video cut

# Watermark

The screenshot shows the DISK Manager software interface. A 'Watermark' search results window is open, displaying a table of search results. The table has columns for Channel, Start Time, End Time, File Name, Percent, Result, and Watermark Info. The first row shows a file named '23.57.52-00.00.00[R][@1849][0].dav' with a 100% success rate and 'Normal' result, containing the watermark 'DigitalCCTV'. The interface also includes a search bar, a 'Start Search' button, and a timeline at the bottom.

Channel	Start Time	End Time	File Name	Percent	Result	Watermark Info
1	2015-10-11 23:57:52					
2	2015-10-11 23:57:51					
1	2015-10-12 00:00:00	23.57.52-00.00.00[R][@1849][0].dav		100%	Normal	DigitalCCTV
2	2015-10-12 00:00:00					
1	2015-10-12 01:08:05					
2	2015-10-12 01:08:05					
1	2015-10-12 02:16:31					
2	2015-10-12 02:16:31					
1	2015-10-12 03:25:01					
2	2015-10-12 03:25:01					

Click this button, to check watermark records in all windows.

THANK YOU !
